

Name _____ Class _____ Date _____

1 Mark laid in his bed the entire day. His mom made him chicken soup for lunch. His trash can was overflowing with tissues. He hoped that tomorrow he would be able to go to school.

You can infer that _____.

- A Mark is happy
- B Mark is lonely
- C Mark is sick
- D Mark is funny

2 Simon waited in the line. He was hot and his throat was dry. He could hardly wait to get to the front of the line. He was so thirsty that he wished everyone in front of him would hurry up.

You can infer that Simon is in line at _____.

- A a grocery store
- B a movie
- C a water fountain
- D a zoo

3 Britney's favorite socks were missing. She looked for them around the house. She quickly found them. They were right next to the thief, who had his tail tucked between his legs.

You can infer that _____.

- A her dad took her socks
- B her bird took her socks
- C _____
- D _____

4 Haley woke up and noticed the sun peering through her window. She was excited to go to school. She stretched and headed downstairs for something to eat.

You can infer that it is _____.

- A night time
- B morning time

You can infer that Greta baked _____.

- A a turkey
- B a cake
- C an ice cream sandwich
- D pudding

9 Molly had them all lined up on her bedroom shelf. Each one was given to her for different reasons: for winning, for being a good sport, for participating in the activity. She loved how each one reminded her of a special event.

You can infer that Molly had _____ on her shelf.

- A cards
- B trophies
- C pictures
- D stuffed

You can infer that _____.

- A Ethan's team won
- B Ethan played basketball
- C Ethan's team lost
- D Ethan didn't like to win

10 Andrew could barely keep his eyes open in class. He knew he should have gone to bed earlier the night before, but he decided to stay up late to watch a movie.

You can infer that _____.

- A Andrew is funny
- B Andrew is disrespectful
- C Andrew is annoying
- D Andrew is tired
