

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

1 Joe drew a large picture to let his parents know what he wanted for his birthday. It was easy to draw four wheels with a long piece of wood.

What did Joe want for his birthday?

- A a puppy
- B a video game
- C a bike
- D a skateboard

3 Tim looked at every painting and sculpture in every room. This was his favorite place to come, since he too wanted to be an artist one day.

Where is Tim?

- A at the park
- B at the art museum

2 Dean brushed his teeth and climbed under the covers. He was glad this day was over.

What is Dean doing?

- A playing checkers
- B reading
- C going to bed
- D talking on the phone

4 John turned off the hose and started scrubbing. He washed the hood, the doors, and then the tires. His mom will be so surprised.

What did John do?

- A washed his mom's car
- B raked the leaves
