

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

1 Katrina took her new camera everywhere. She especially loved taking pictures of flowers. She had an eye for what would develop into an interesting photograph.

The reader can infer that:

- A her new camera was very expensive.
- B Katrina took pictures of flowers.
- C Katrina got a new camera for her birthday.
- D Katrina liked photography.

3 If an author describes a school day cancelled and snow covering the city, the reader can **infer** that **school was cancelled because of a winter storm** passing through the city.

A true

2 Owen was not happy that his family had to move. He had a great group of friends, and he was on his school's basketball team. What if he couldn't make new friends or the basketball team?

The reader can infer that Owen was nervous about fitting in somewhere new.

- A true
- B false

4 While Jack's brother Charlie was often annoying, he could make Jack laugh. Jack could play simple games with him and Charlie would play whatever Jack wanted, even if he wasn't old enough to really understand the point of the game.

The reader can infer that Jack
