5 You think the angle in question 1 is **less than** 180 degrees. True or false?  
A true  
B false

6 You think the angle in question 2 is **less than** 90 degrees. True or false?  
A true  
B false

9 The measure of the following angle is **less than** 90 degrees. True or false?  
A true  
B false

10 The measure of the following angle is **less than** 180 degrees. True or false?  
A true  
B false

## ANSWER KEY

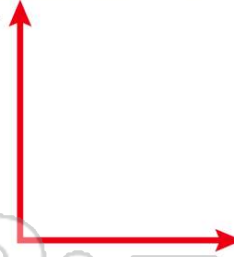

You may use a protractor to **measure** the following **angle**.

- A** 360 degrees
- B** 180 degrees
- C** 90 degrees
- D** 45 degrees

(b)

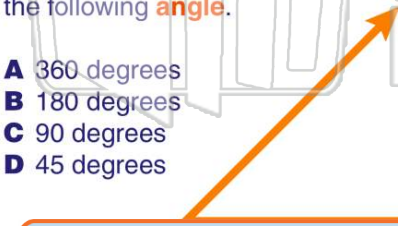

You may use a protractor to **measure** the following **angle**.

- A** 360 degrees
- B** 180 degrees
- C** 90 degrees
- D** 45 degrees

(c)

You may use a protractor to **measure** the following **angle**.

- A** 360 degrees
- B** 180 degrees
- C** 90 degrees
- D** 45 degrees

(d)

You may use a protractor to **measure** the following **angle**.

- A** 135 degrees
- B** 180 degrees
- C** 90 degrees
- D** 45 degrees

(c)
