4. Lucy is than Leo.

Larry's Last Look:

Color the shortest lizard dark brown.
Color the second shortest lizard grey.
Color the second longest lizard light brown.
Color the other lizard black.

Name _____ Class _____ Date _____

Lizard Trails

You will need:

Straws, scissors, marker, sticky tape.

Here's what to do:

Look at the lizard trails below.

Place one end of the straw at the start of the trail.

Measure the trail and use a marker to show the end of the trail on the straw. Then cut the straw at the mark.

Name _____ Class _____ Date _____

Lizard Trails Graph

Use your straws from the last page. Use sticky tape to stick the straws on the graph below. Put them in order with the longest trail first.

Write the names of the lizards under each trail.
