

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

**Materials:** You will need a pencil and two or more margarine or butter container lids.

Buzz packs his salted fish in butter containers and stores them in a single layer in his cupboard. How many containers of salted fish will fit on his four shelves?

| shelf | same size as   | estimate | total |
|-------|--|----------|-------|
| 1     | your teacher's desk top<br> |          |       |
|       |  |          |       |
|       |  |          |       |
|       |  |          |       |
