Why do people use marijuana?

Statistics show that about **15%** of teens report using marijuana. Some believe marijuana cannot be harmful because it is *"natural."* But, not all natural plants are good for you—take tobacco, for example.

People smoke marijuana for a lot of different reasons: to feel good, to feel better, to feel different, or to fit in. Whatever the reason, drug use has consequences. *Marijuana is not as harmless as you may think.*
