

Name _____ Class _____ Date _____

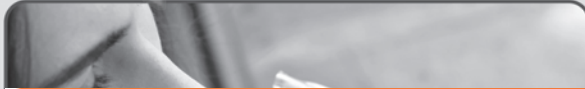

What are E-cigarettes?

E-cigarettes are **electronic devices** that heat a liquid and **produce an aerosol**, or mix of small particles in the air. Some e-cigarettes look like regular cigarettes. Some look like USB flash drives, pens and other everyday items.

E-cigarettes are known as e-cigs, e-hookahs, mods, vape pens, vapes, and **electronic nicotine delivery systems (ENDS)**. Using an e-cigarette is sometimes called **"vaping."**

Are E-cigarettes safe?

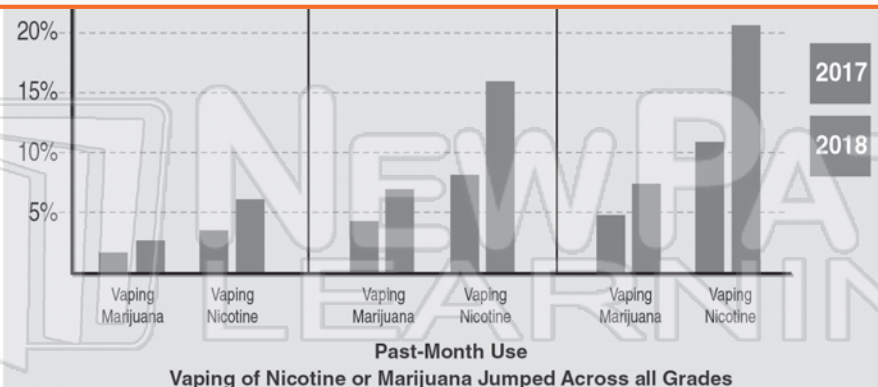

The use of e-cigarettes is **unsafe** for kids, teens and adults. Most brands contain **nicotine**, which is highly addictive. Some e-cigarette vapor contains **cancer**.
