

MULTIPLE MEANING WORDS

What are Words with Multiple Meanings?

Words with multiple meanings are words with more than one meaning. Use context clues, or the other words in the sentence, to figure out the meanings of words with multiple meanings.

Examples

The word **bark** can mean:

1. to make a noise, or
2. the surface of a tree trunk.

The word **slip** can mean:

1. to slide, or
2. a piece of paper

The word **cover** can mean:

1. to go over
2. a cover

Did you understand the meaning of the word **slip** in the sentence above?
