

SKIP COUNTING

What is Skip Counting?

- Skip counting means you do not say every number as you count.
- You only count special numbers.
- There are many different ways to skip count.

How to Skip Count:

- When counting by twos, you only say every second number.

1 **2** 3 **4** 5 **6** 7 **8** 9 **10**

In this case, you would only say the **bold** numbers. You skip the other numbers.
