You Try!

Answer the following subtraction problems:

$$12 - 2 =$$

$$10 - 4 =$$

$$7 - 3 =$$

$$9 - 7 =$$

A horizontal banner featuring a row of 14 diverse cartoon children standing on a green grassy patch. Above them are four thought bubbles containing various educational icons: a cube, a microscope, a protractor, a globe, a chemistry flask, a globe, a DNA helix, a pie chart, a bar graph, a pencil, a calculator, and a plus-minus sign. The word "ABC" is also visible in one of the bubbles.
