

WORLD WAR II

What do you know about World War II?

In the mid 1900's, **Hitler and the Nazi party** in Germany were trying to gain control of many European nations. They used military force and Hitler's leadership to gain support of the German people, and succeeded in taking power from other countries.

The war ended in 1945, and a number of meetings were held to decide the fate of Germany. It was agreed that Germany's weapons would be taken away and Germany would be divided into four zones.

During WWII, many people were killed because of race or religion. It was the first time an **atomic bomb** was used. World War II was the deadliest war in history.

A cartoon illustration of a nuclear mushroom cloud with a brown top and orange flames at the base.

A row of ten diverse children standing on a green patch of grass. Above them are five thought bubbles containing icons for geometry (cube, triangle), science (microscope, globe, atom), math (pie chart, bar graph), and general education (ABC, calculator, pencil).
