

Name _____ Class _____ Date _____

Match each of the following terms to its definition:

Protozoa

Vertebrates

Protista

Taxonomy

Xylem

Regeneration

Pore

Larva

1. _____ - a small hole that allows liquid to pass through

2. _____ - a kingdom of scientific classification which includes organisms that are mostly unicellular, their cells have a nucleus, some make their own food
example _____

3. _____
move

4. _____
body
