

# Addition and Subtraction

Math

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

Estimate each of these lengths in meters and centimeters then measure them accurately. Write your estimations and measurements using meters, centimeters and decimal notation. Calculate the difference between your estimation and the actual measurement.

Length of this box = 0.68 m

| Length to be measured | Estimation |       |         | Actual measurement |    |         | Difference |
|-----------------------|------------|-------|---------|--------------------|----|---------|------------|
|                       | m          | cm    | decimal | m                  | cm | decimal |            |
| Width of three desks  | __ m       | __ cm | __ m    |                    |    |         |            |
| Length of three desks |            |       |         |                    |    |         |            |
| Width of bench seat   |            |       |         |                    |    |         |            |
| Length of bench seat  |            |       |         |                    |    |         |            |
| Width of window       |            |       |         |                    |    |         |            |
| Height of window      |            |       |         |                    |    |         |            |

## ANSWER KEY

Estimate each of these lengths in meters and centimeters then measure them accurately. Write your estimations and measurements using meters, centimeters and decimal notation. Calculate the difference between your estimation and the actual measurement.

Length of this box = 0.68 m

| Length to be measured | Estimation |       |         | Actual measurement |    |         | Difference |
|-----------------------|------------|-------|---------|--------------------|----|---------|------------|
|                       | m          | cm    | decimal | m                  | cm | decimal |            |
| Width of three desks  | __ m       | __ cm | __ m    |                    |    |         |            |
| Length of three desks |            |       |         |                    |    |         |            |
| Width of bench seat   |            |       |         |                    |    |         |            |
| Length of bench seat  |            |       |         |                    |    |         |            |
| Width of window       |            |       |         |                    |    |         |            |
| Height of window      |            |       |         |                    |    |         |            |
