- Measure the lengths of the sides of the picnic area in centimeters. Label the lengths on the picture above.
What is the perimeter of the picnic area? $10 + 5 + 10 + 5 = 30 \text{ cm}$
- Measure the lengths of the sides of the dog area in centimeters. Label the lengths on the picture above.
What is the perimeter of this section? $9 + 7 + 9 + 7 = 32 \text{ cm}$
- What is the perimeter of the entire park? $10 + 8 + 12 + 9 + 9 + 7 + 5 = 60 \text{ cm}$
